---

**CHERRYLAND OFFERS \$4,000 COLLEGE SCHOLARSHIP**

High school seniors whose parents or guardians currently receive monthly electric service from Cherryland Electric Cooperative, and whose primary residence is in Cherryland's service area, may apply for a \$4,000 college scholarship (\$1,000 each year for four years).

Selection for the Cherryland scholarship is based on academic performance, extra-curricular activities, community involvement and/or after-school employment. A minimum grade point average of 2.75 on a four-point system is required.

To continue receiving the scholarship, a student must maintain a minimum college course load of 12 credits per term or semester and receive a minimum 2.50 grade point average.

Scholarship applications must be postmarked by **Friday, April 6, 2012**.  
**Interested students should complete the following form and use additional pages to list academic accomplishments and other supporting facts.**
