

Manistee Catholic Central School

“Christ Centered Excellence in Education”

What is Scrip?

The Manistee Catholic Central SCRIP program is a rebate program that assists families with their student’s tuition cost. SCRIP is an easy way to recognize substantial savings on tuition. Gift certificates / cards are purchased online. The gift certificates / cards are purchased at face value for participating local and national retailers. The retailers generously give a rebate, which in turn is used as a credit toward tuition costs for the next school year.

For example if you purchase a \$25.00 gift certificate with a 10% rebate, you take the card and shop as if it was \$25.00 cash and the retailer donates \$2.50 back as a rebate. The rebates are accumulated and applied toward a designated families tuition cost for the next school year. It that simple!

Anyone - neighbors, grandparents, brothers, sisters, aunts and uncles, even friends out of town can purchase a gift card / certificate and assign the rebate to a specific family at MCC.

With SCRIP you buy your gift card / certificate online, pick them up on Thursday at MCC, and then go shopping! There are gift cards / certificates available for groceries, gas stations, home repairs, drug stores, hair salons, flower and gift shops, massage therapists, clothing and shoe stores, photographers, restaurants, hotels, airlines and entertainment. Whatever your need, a certificate / card is probably available. SCRIP is now also available in ScripNow®, Reload, and ReloadNow®.

Contact Don Digna at 231-723-2619 ext. 107 for more information.
